Pupils' Contract

You will be asked to acknowledge this Pupils' Contract prior to submitting the Online Booking Form.

- I agree to carry my coach pass with me at all times and know that without my pass I will not be allowed to travel.
- I understand that I need to be at my bus stop **10 minutes** before the scheduled time. In the event of the coach running late for whatever reasons, it is up to me to decide how long I wait before making my own way to school or returning home.
- I understand that I have 20 minutes from the end of day to get to the stop.
- I will not keep calling the office if, for any reason the coach is not at the school. I understand that doing so could delay the pickup and that the office is busy sorting out the situation.
- When travelling on the coach I understand that, for the safety of myself and the other passengers, I should remain seated, facing forwards and should be respectful towards the driver and fellow passengers and that I **must** wear my seatbelt.
- **I understand that bad behaviour on the coach is unacceptable. I will not distract the driver or behave in a way that endangers myself or my fellow passengers. Consequences of failing to adhere to this will be that I am removed from the coach. I understand that CCTV is fitted to some of the vehicles and this will be used to monitor the behaviour of students on the coach and also for evidence for the above.**
- I know that the coach needs to be kept clean and that food and drink should **not** be consumed whilst on the coach. Any rubbish should be placed in the bin at the front of the coach. Smoking or vaping is prohibited on all coaches. It is up to me to ensure that my belongings are taken with me at the end of each journey. The Company accepts no responsibility for any items left on the coach.
